Dear Friends,

In my last letter, I indicated changes here.

On the first day of Spring, I had the real estate man in, and now, the following Monday, I have the clean-out man here. Laura and I started out together fifty years ago come May 15. In June I will be 77. I have indicated to the Mission Board, that then, I would bring our journey with them to a close. Thank you all for your help and friendship over the years. We have known some of you for a long time.

Be sure of my prayers, and do pray for me, as I intend to be active in the work of the Lord, both here, and in the regions beyond

Thank you once more,

Gerald Mosher
