“ We give thanks to God and the Father.. Praying alwaysof the Love...to all saints, ... for the hope...for you in heaven... in the word of the truth of the gospel;” Colossians 1: 3-5

Dear Pastor and Church members,

We wish you all A Blessed New Year

“ We are with Him, All through Him, and the Peace of God which passes all understanding.”

Just a short up date. As you all have known that we had a bad situation this past November 2015. South India, had heavy rains and floods at Chennai and neighbouring towns and villages nearby. We too were badly affected in Tirupattur where we live. Our Home was flooded till knee deep water, We lost many valuable things like furniture, our fridge, drinking water motors and our car. A huge tree fell on our car and smashed it in half. The car right now is at the work shop getting repaired. The car insurance has helped us in covering part of the damages. We also had a lot of drainage water come into the house. We had moss, damp walls and floors that are still taking time to dry up. It's been two months since it has happened to us. We have suffered a lot of financial expenses to bring things back to normal. The Lord has been with us through it and has taken us out of it. We use the car to travel to Bangalore for our church ministry at White Field Baptist Church. We just pray that the Lord will place in your hearts to help us at this crucial time.

It is January 2016 now, The Lord has been so precious to us in the ministry of the church Christmas program. Our Hindu and Muslim children still continue to come to our Bible Hour.

This year the school has to renew our school recognition papers which expires in the month of May. This is very necessary for us to continue running the school. Please, do pray with us since it would involve a lot of time, work and finances.

My family is doing well, God willing this year in the month of June our eldest son Japheth would be getting married. Pray, that God would continue to lead them both in the ministry we are doing. My second son Jonathan would be completing his Physical Therapy training this year, Pray with us that God would lead him as to what to do further in his life.

We thank you all for praying and supporting us this past year, May the Lord bless you all.

In Christ,
The Newtons
