*A Happy Christ Birth and  
A Blessed New Year 2017*

Dear Pastor and Church Families,

Greetings from White Field Baptist Church, Bangalore and Grace School for the Hearing and Hearing Impaired. Tirupattur.

As 2016, comes to a close. It is God's faithfulness that has kept us close to Him inspite of our weakness and failures. The Lord has been so precious to us. Just His fellowship and communion with Him makes life worth living Psalms 18: 1,2,3. This verse has been an encouragement to us as a family as we serve Him in India.

On the 18th of Dec. at the White Field Baptist Church We are having our Christmas celebration for the church , Many Hindu and Muslim children and parents will attend. Even though our church is not quite spacious, children love to come to hear God's Word. Many of them do know the truth and many have accepted Jesus as their personal savior.

At Grace Baptist School, We have 80 children including the deaf and the mentally, physically disorder children. These children have been taught the Word of God as a subject in the school as my wife Leena teaches them. The Government still insist us to have our own premisis.

We have seen a place for the school and children's home around 3 acres of land, with school buildings and buses The owner is a christian man and wants to give us this premisis, but with a price as mentioned in our last prayer letter. We hope and pray that you will find it in your hearts to help us in this need.

Every month the staff and children make it a day to go to the village at Kombai (Jawadhi Hills) to preach and teach the tribals Gods Word, and also help the people in their needs, At present we have many tribal children studying in our school.

We thank you Pastor and the Church for praying and supporting us . Continue to pray for our family . We always thank God and remember you all in our prayers.

In Christ Service,

Past. Francis Newton & Family.
