"The Lord knoweth how to deliver the godly out of temptation." 11 Peter 2:9a.

To,

Dear Pastor and Church members,

The Lord has been gracious, compassionate to YOU and to US, these past few months. Sorry for the delay, due to some very difficult and trying times that we have been going through. The Lord has been faithful and strengthened us during these hard times.

Thank you for faithfully supporting, praying for our family and the ministry. We are praying much for the situation in America and the problems that your country is going through. Pray with us concerning the Visa problems that we are facing in order to come on deputation. God is faithful and he will answer this in His time.

Our Prime Minister is making it very hard for us Christians to teach the Bible. He wants it to be made into a Hindu country, which makes it very difficult for us to teach Gods Word in our Church and School. Many Churches, Christian Homes and Schools have been closed down. But, the Lord has protected our ministry thus far and will continue to do so.

The Church at White Field, Bangalore still continues in a small place. Last month, We had Vacation Bible School, from April 16th-19th. An average of 55-60 children attended everyday. They are all from Hindu, Muslim and Roman Catholic backgrounds. We have sown the seed and may the Holy Spirit work in them. Many of them expressed salvation.

The Girls Home at Tirupattur went through difficult problems. The owner of the building had given us this place for past 22 years. In the month of March he wanted us to leave the building in a weeks time for more rent and deposit money. We were shocked and not ready for this move. We also had the High School in this building. He threatened to harm and throw us out if we did not oblige. He wanted \$ 3,500 as deposit and \$ 500 as rent. We did not have this big money to give. So we had to leave. The Lord graciously gave us another place in a weeks time. For this new building we have paid \$ 1500. as deposit and a rent of \$ 200 a month. God supplied this need, from a very dear person who loves the Lord. The school is now closed for summer vacation. We completed our 17th year Graduation. Continue to pray with us to get our own place soon.

Many times our finances are so low, if you would find it in your hearts to help us out with supporting our work and ministry, We will be very thankful.

Love you all in Christ,

The Newtons,
Tirupattur. India
