**Said I not unto thee, that, if thou wouldst believe, thou shouldst see
the glory of God? John 11: 40**

We want to thank you so much for being in one mind with us in the work and ministry, and also for praying and supporting our work. Although at times it is not enough, but the Lord still sees us through.

We will appreciate your love and prayers even more than ever before, because we are facing a lot of crisis on increase of tax payments. Essentials things and food we used to buy for our families and school children are so hard to buy now. In these hard times God has taken us through without a doubt.

We want to give Christmas gifts for our school children . Pray with us that God will answer this need. It would cost \$ 5. per child to buy a small box with sweets inside. We do have around 80 children. We pray that God would speak to your heart concerning this need.

Continue to pray that most of our children get saved and take a stand at their homes.

Our religious freedom to preach the Gospel to the children and their parents may cause us to go through some persecution especially when we visit the villages around us. There is a temple in every street which speaks aloud about their gods during festival times. It is very disturbing to us as christians. The Government slowly wants to take over the whole of India and change it into a Hindu nation. Pray, much for us as we work during these difficult times.
