".....Of whom I ought to rejoice; having confidence in you all, that my joy is the joy of you all."
I Corinthians 2:4b

Dear Pastor and Church Families,

We want to Thank and Praise God for you all, always mentioning you in our prayers. Thank you for your prayers and support.

God willing we will be coming on deputation this June 2019, Please give us time to visit with you all. Our visas are due to come. We will tell you the exact dates when we get our visas.

WhiteField Baptist Church:

The members of the church give their greetings to you all, The church is growing in the knowledge of Jesus, many more people have joined the church. We will be having baptisms soon. In April, we will be conducting VBS. from 15th- 18th. We will also be having special gospel meetings for the unsaved, local people on 30th-31st . God willing, we will also have a youth and family camp from 25th - 27th . **DO PRAY** with us for these various activities of the church.

Grace Baptist School:

School will be closing for the 2018-2019. on April 12th. And we will be re-opening on June 3rd. The Lord has taken us safely through this past year. Many of the children at the school and Homes have heard the gospel and have shown faith in the Lord. The financial support for the Boys/Girls Homes have dropped. **DO PRAY** that we get enough money to look after these children for their food, studies and medical help. Each child needs \$12 per month to look after their needs. Our desire is to win them for the Lord. We do have 15 Girls and 25 Boys staying at our Childrens Homes.

DO PRAY For our countries ELECTION (Prime Minister)

Jawadhi Hills: We visit the Jawadhi Hills regularly, This time we visited a new village called Malai Tirupattur, We had a very good response from the people of the Village , They heard Gods Word, and wanted us to come back again. We have students from our school who live in these villages. Some of the people & children from these villages heard the gospel for the very first time. We had also give free medical help for the villages we visited. My son Jonathan Newton who is a Physical Therapist gave medical aid along with a registered Nurse who is also a former student of Grace Baptist School There is a great need for personal care and medical help for these tribal people, since there are no hospitals in these areas. Our burden is to start a permanent medical centre in these hills. Please, **DO PRAY** with us for a vehicle to go up these Hills.
