

Dear Pastor and Church Families,

We praise God for you. Thank you for your continuous prayer and support. You are a blessing to us.

We are writing to let you know God answered our prayers by giving the school building back to us for another four years! The owner called; he said that we could lease the building for another four years. We thank God that the ministry of the school does not have to end.

Over the years, though our school, many children came to know the Lord and stand firm in their faith and strong in the face of opposition due to their Hindu religion. God brought many of these children to join WhiteField Baptist Church at Bangalore.

Will you pray for our ministry's need? We need to pay the owner \$6,500 to lease the building for four years. The Owner's kindness allows us to pay the total sum in two payments. If we can pay \$3,000 next month, then, in six months, we can pay the balance.

The owner's decision is the Lord's doing and an answer to prayer. We believe He will provide. Will you ask God to touch hearts on behalf of the school ministry? Will you ask the Lord if He will use you to meet the need?

My wife and I are praying for God's provision. We believe God. Will you believe with us?

Thank you,  
In Christ's Name,  
Pastor Francis Newton & Sis. Leena
