

THE JOHN M. O'MALLEY FAMILY
SERVING WITH
WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

10/20/2003

Dear Friends,

The harvest season is upon us both in the physical and spiritual sense. Your investments and interests in our work are deeply appreciated. John, Kim and I want you to know we are so blessed to be serving our Lord while partnering with you in this ministry of evangelizing the lost, and the enlisting, encouraging, educating and equipping of God's laborers. Not excluding either, the ministry of exhorting local churches in their harvest participation.

God's hand of provision has been clearly identified as we have worked in earnest on your behalf. The past 60 days brought opportunities to speak in young people about lifetime service in missions as we have visited in both churches and colleges. It is so important we remember to pray for laborers in training as well as those who are serving. God has given us the opportunities to aid in training of missionaries.

We were blessed to watch as four churches made their annual commitments for missions totaling nearly \$200,000.00. Two other churches held special meetings where we were privileged to speak. God's hand opened hearts in these meetings as folks committed to participate in the Lord's service in the local churches. Another church asked us to come and aid them as they desired to start a missions agency in their church.

Several of you have asked about our level of contentment in the home God's people built for us. We do find it a blessing to come back to and to base our work. John has his own room where he has a place to do his school work. Kim has a home she can make her own. We can not thank you all enough for your financial investment and prayerful interest in our family.

The fall season is one that is quite full of meetings and preparation for the winter Candidate school at the mission. Our mission family has grown to over 70 families. This brings opportunities to help equip and educate them in a manner that enables them to get to the field quickly.

Just last week Kim and I went to door to door inviting people to attend a new church in Boynton Beach, Florida. This is the same church that our son went as a church planter this summer to help. We so enjoyed the opportunity to help as it reminded us of our early days of planting churches in Grenada.

Please pray for our family as we serve the Lord. Pray for our safety and spiritual effectiveness. We pray for you and think fondly of you. We know God has allowed us to partner together in this way. We desire to be faithful to His call.

Respectfully yours,

John M. O'Malley
