### June 2013 Newsletter

**PRAISE THE LORD!** The month of May brought many blessings our way! We were privileged to share our ministry of West Africa in some great churches in Iowa and North Carolina. While deputation can take you many miles away from your home, it is a joy when the path you travel brings you to family and friends you do not always get to see. We have had that great opportunity this past month to see many of our family and friends we have not seen for some time. Of course, it is always a great pleasure and blessing to make new friends in the churches we visit.

We had the very rare opportunity to *attend* a church service . . . no displays, no presentations, no Jr. church, no preaching . . . just sit, get spiritually fed, and take in the fellowship of other believers! Don't get me wrong . . . We absolutely love sharing our ministry, doing ministry, preaching; but sometimes, it is just good to be on the receiving end! Can I get an "Amen?"

### NTBC – Four Schools in West Africa

We are so excited that New Testament Baptist College has 44 students registered for our fall semester! We have been very busy getting things in order so we can start our colleges in August. We will be starting 2 schools in Liberia and 2 schools in Ghana! We actually received over 60 applications, but because our policy is that everyone must pay *something*, only 44 are officially registered for the fall semester. However, we expect to see that number increase for the spring semester.

*We desperately need sponsors for these students! If you or your church would be interested in sponsoring an African student who is preparing for ministry, it would be a great blessing and would reap*

*great fruit. For only \$50.00 a semester, you can sponsor a student to attend our Bible College. If you are interested, please contact me through email or phone!*

### **TINKER VILLAGE – Liberia**

The Bible Study in the building we purchased in Liberia is going well! We praise God that a church in Illinois provided the money to buy chairs for them to use in the building. Pastor Saywah is busy leading the Bible Study and sharing the Gospel in the village area.

### **PRAYER NEEDS**

1. Safety as we travel; that our van has no problems, and we get great gas mileage!
2. That we can fill our calendar with meetings for the summer and next year.
3. That the wonderful churches we have been in will be able to add us to their mission family.
4. That God will use us to be a blessing to those we have the opportunity to minister to.
5. That NTBC will start well, and that we will get many sponsors so these students can stay enrolled.
6. WWNTBM staff as they are now carrying an extra burden by helping us with the college.
7. Bro. Edgar Feghaly and our Middle East and Africa Partnership (MAP)
8. Pray for your missionaries! They need the power that comes when you lift them up before the All Powerful God!
