September 2013 Newsletter

Thank you to all our supporters! Your prayers and financial support are allowing us to do the ministry God has called us to. Together, we are seeing the hand of God working here and in West Africa. It is a joy to visit churches and share our burden for Liberia & Ghana. What a blessing it is to preach the Word of God and see people respond to the Holy Spirit.

Here At Home

We are grateful for another good month of meetings. What a blessing to have another church partner with us! Thank you GSBC of Mooresville, IN!

God has blessed us with a full schedule until Thanksgiving. December is typically a difficult month to schedule meetings for deputation. If there are any pastors in Florida who need someone to fill the pulpit during that month, please contact me.

West Africa

The Bible Study continues to meet in our building in Tinker Village, Liberia. Because of the rainy season, they still have not begun to build the block wall around the property.

The Bible Schools have started in both Liberia and Ghana. Below is an email I received from one of our pastors in Liberia:

“ Good morning Pastor Osborn,
Great is the Lord and greatly to be praised. We had our orientation last night. The church was invited and over sixty people attended the program. I wish you were here to see the excitement. I myself became more excited in the study. Many regretted that they did not register, but we encouraged them to attend the classes until they can have the opportunity to register for the next semester. We scheduled our class for every Monday from 4:00-7:00 PM.

All of our pastors, students, and church members are grateful to you for your tireless effort to help us grow in the grace and knowledge of our LORD and SAVIOR JESUS CHRIST. Please continue to pray for us that we will continue to the end.”

Yours in His Ministry,
K.D.

We are thankful for those who are helping make it possible for these students to train for ministry because of your sponsorship. It is greatly appreciated!
