October 2013 Newsletter

On the road again! We praise God for the wonderful meetings throughout the state of Florida during the month of September. What a blessing to share our burden for Liberia & Ghana with several churches. We are praying that we will see new partners come from these meetings.

We were so blessed to present our ministry at a church in Cape Coral, FL. After the presentation and preaching, the church immediately took us on for support! Now, that is encouraging!!!

The theme for the mission conference at Community Baptist Church in Bradenton, FL was “*Seeing the World Through the Eyes of Christ.*” This picture with the theme song gives a great visual.

One of the highlights in our mission conference at Community Baptist Church in Bradenton, FL was having the opportunity to meet and visit with Jartu Tarwoe.

Jartu came to the United States ten years ago during the civil war in Liberia. After spending time in a refugee camp in Ghana, Jartu was able to get to America. She now has a son who attends Community Christian School and is excited that we are going to her homeland

to share the Gospel and start churches. She also stated that there is great concern in Liberia about the future of its government and hesitation to attempt rebuilding on the part of the Liberians. Please continue to pray for the churches in Liberia and our efforts to encourage them and minister to them, even while we are doing our deputation work.

The Bible colleges in Liberia and Ghana have begun. While there were some issues in the beginning, the DVD system is working. As you saw in our last newsletter, there is great excitement from the students. Continue to pray for the colleges and the students as they study God's Word.

What a blessing it was to receive this picture of Pastor Peter Mensah baptizing several new converts in Ghana.

The month of September ended with us traveling to Beaverton, MI for a mission conference. We will continue to have meetings in MI, OH, IN, IL, and TN between now and Thanksgiving.

Please continue to pray for the works in Liberia and Ghana. Pray that we could get our needed support, so that we can get to the field and help them reach their countries with the Gospel of Christ. The window of opportunity may not stay open for very long. Pray we will continue to have meetings and be able to communicate the need and our burden for West Africa.
