Dear Friends,

Greetings to you in the name of our Lord Jesus Christ.

Much of the month of April has been spent in south Georgia both working at churches and presenting our work. We were able to help one of our supporting churches with a remodeling project. Hopefully, they will be able to finish it soon. Melinda was able to witness to a young woman that worked as a hairdresser in Wal-Mart. Her name is Katie. Please pray for her salvation. She listened but would not commit at that time. Since we will have occasion to be back in the area again soon, Melinda will go to see her again. She has visited her three times so far.

At this same church, I was able to work with some of the teen boys. We were remodeling a building to use for office space. What a blessing to have teens both able and willing to serve the Lord. They came each day after finishing school work and really put their backs into it. I know that God will use them as they grow and mature. It is a blessing to be able to have a part in their lives.

We did get one unexpected meeting in a church near Brunswick. We are planning to go back and help them with an extensive mission home renovation. By having this house, the church is able to save many hundreds of dollars on hotel bills. This money stays in the mission fund and they are able to support more missionaries. Over and over the Lord uses us to help churches send more missionaries to the field.

Please pray for our ongoing needs: 1) New Supporting Churches 2) Ministry Opportunities 3) Travel Safety 4) Dental Expenses 5) Unspoken. We appreciate your prayers so much. We are praising the Lord for a new supporting church! God is faithful. We love and pray for you all.

Serving till He comes,

Jack and Melinda
