Dear Praying Friends,

Hello to all and greetings in the name of the Lord.

We have had a great time this month working at a Youth Camp in southern Georgia. We had the help of the college young people that were working as camp counselors. We all worked together to get the boys dormitories ready. We built and installed bathroom stall partitions, put in a handicap shower, built sink counters, cleaned, caulked, put beds together and a variety of other things. The day started about 8:00 am and went until 9:00 pm. This went on six days a week. It was hard but rewarding work. The first week of camp was attended by 387 junior age young people along with their counselors. By the end of the week about 10 had been saved and there were numerous other decisions. We praise the Lord for these results.

We also had some good opportunities to present our work to several churches in the area. I was able to preach several times in these churches. It is our prayer that hearts and lives will be changed. One of these churches voted that day to start supporting us! Praise the Lord for His provision. We have about 68% of our needed support now. Please make this a matter of prayer. We would like to be finished with our deputation by the end of this year.

We have a long road trip beginning on July 1st. We will be in several states ministering in churches as we present our work. Please pray that God will give us safety as we travel and work.

We also have been contacted by a supporting church about relieving another missionary that they support in Canada. This is something we desire prayer about. Pray that the Lord will reveal His will to us about this.

Please pray for our ongoing needs: 1) New Supporting Churches 2) Ministry Opportunities 3) Travel Safety 4) Unspoken. We also have a praise: 1) A new supporting church. God is faithful. Thanks to all of you for your letters. We continue to pray for you all.

Serving till He comes,

Jack & Melinda
