August 2006

Dear Faithful Friends,

This past month we spent time in southern Georgia helping a church enlarge their building. They needed space for an outdoor picnic area in which to have church wide fellowships. The church hired some of the work done and we helped to fill in the gaps. We helped install 50 ft. trusses and the purlins as well. These were double trusses and had to be lifted with a crane. We were also able to help put in some vents in the church steeple. Both of these jobs required being high up and I am usually not very excited about being that far off the ground; but the Lord gave me strength and I came out alive. Melinda and I witnessed to the hired men in the days we worked with them. Pray that God will touch their hearts. Although they listened, they would not commit to the Lord. I also had an opportunity to teach the men's Sunday School class. There was a good response and I appreciate every opportunity to give out God's Word.

After leaving Georgia, we were off to North Carolina to present our work there. We had originally planned to leave there for West Virginia but had to detour back home. You may remember that I had some severe dental problems a few months ago. I had to go back to see the dentist again. I had hoped to not have this done for a while but I began to show signs of infection and have pain again. I did get an appointment and the doctor was able to do the work successfully. Please pray that the surgery will continue to heal properly and that no more work will be needed. This was a financial setback but God is beginning to provide the funds. Two of our supporting churches have sent an offering to help with this. We are praising the Lord for already providing some of what is needed to pay for this. Please pray that He will send the rest in soon.

Last month I asked you to pray about relieving a missionary in Canada. This missionary was able to get a man from the church there to fill in for him. I am sure he is excited that this church is beginning to show signs of maturity. Please pray for this man as he prepares to lead the church.

We covet your prayers for our ongoing needs: 1) New Supporting Churches 2) Ministry Opportunities 3) Travel Safety 4) Unspoken 5) Dental Expenses. Thanks to all of you for your letters. We continue to pray for you all.

Serving till He comes,

Jack and Melinda
