September 2012

Dear Praying Friends,

We greet you all in the name of the Lord. Our travels have taken us many places since we last wrote. God is continuing to give us opportunities to serve and witness. We always appreciate the emails and notes we receive, and want to thank you all for praying and giving.

There have been several new churches added to our schedule of meetings, so we are praying that the Lord will allow us to be a blessing in each place. We have also been working in a supporting church for about a month now. The pastor was away for one week, and I was able to fill his pulpit during the absence. That was a blessing. We really appreciate this church.

Please keep praying for us concerning the upcoming trip to Nukoro, Micronesia. We will be planting a church with Pastor Ray Ezekias. Pastor Ray is from the island of Nukoro. He feels that God is calling him to plant a church there. We met Pastor Ray while we were on Pohnpei, and the Lord knit our hearts together for this work. We are very excited about it, and plan to be with Pastor Ray for about two years. There are a lot of details to work out. We will have to raise additional support for this trip.

We have also been asked to do a short term trip to the Dominican Republic. The missionary there is trying to get things worked out for a new church building, and would like our help with it. We are all praying about this trip. We will see how God leads.

We are so grateful for what God is doing through our ministry. The Lord is leading and guiding us to be more involved with new church plants, as well as helping with the buildings. This will be a change from what we have been doing, but we know that God will enable us to do it.

Please pray for these requests when you think of us.

1. Salvation for Anna, Amy, James, Mike, J.L., and Marie
2. The possible trip to the Dominican Republic
3. Support for the trip to Nukoro, Micronesia
4. Health and safety

Thank you for your prayers,  
Jack and Melinda
