## At the Fair

Thank you all so much for your prayers for us these last few months. We could really see God working in our lives. Last week we worked in the county fair booth of our home church doing Japanese Origami for the children and some adults. Two girls got saved and many others heard the gospel or at least took a track with them. We know people must have been praying because once we even had two Mormon Evangelists come to our table (I'm sure to prevent children from coming), but one girl still came and April was able to lead her to Christ at the end of the same table. Praise God!

## First Steps

Abigail took her first step on June 1<sup>st</sup>. She has been keeping us very busy as she is almost running everywhere now. She turned one year old on July 9<sup>th</sup>. She already knows one Japanese word and many American words. We look forward to the day when she will help daddy learn Japanese in Japan.

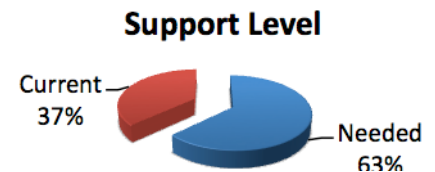

## We Moved

Please take note of our new address posted at the top. No, it is not in our car, though we might feel like it traveling sometimes. We were able to move out of our apartment into my Dad's house since he moved to Georgia and offered his place in Indiana rent-free. It is much more spacious and will be a nice place to rest in between meetings yet still close to our sending church.

## New Support

June was a very exciting month for us. For the first time on deputation, two churches voted to take us on for support the very night we presented our ministry: Faith Baptist Church in McCordsville, IN and The Baptist Tabernacle in Altavista, VA. We want to say a big THANK YOU to these as well as Calvary Baptist Church in Sturtevant, WI, First Baptist Church of Atoka, TN, Northstar Baptist Church in McMillan, MI, and the Pike Family in Mesick, MI for choosing to support our ministry. Thank you for following God's leading in backing our ministry. We thank God for you. We now have 37% of our needed support and know that as we trust and obey

God will supply all our needs in his perfect time.

## Needed Prayer

1. God's working in and through us on Deputation
2. More meetings for this fall and next year
3. Health and Safety traveling
4. April's Parents head back to Japan August 14th
5. Prayer and Financial support

## Points of Praise

1. Salvation of Courtney and Sophia
2. More Support (five churches & one individual)
3. Traveling mercies (car broke down early July)
4. Abigail's first tooth

The Grace of God be with you,  
Michael, April, and Abigail Riffel
