Missionaries to

Summer Update

Our summer began with wonderful meetings in Virginia, Florida, Tennessee, South Carolina, Indiana, and a very encouraging time at our mission's family fellowship week. We really love and appreciate our mission agency. In July we did not have many meetings, but have been keeping very busy scheduling meetings for this fall and next year. Please keep praying that we will get more meetings. Michael has a goal of making at least a thousand calls before our schedule picks up this fall. (Our schedule is included for you to keep track and to pray for us.) We also worked at our home church's fair booth again and filled in for a service. We have visited many new churches in the surrounding areas to get contacts for possible future meetings. They have been very friendly with us, and some have even allowed us to share our ministry and have taken offerings for our expenses. Praise the Lord!

Japan Update

We were able to rejoice with Pastor and Mrs. Rich and the people in Japan that Reiko San was baptized and became the first Japanese member of Faith Baptist Church. Also, on August 1st the church had a special celebration for the Rich's 40th anniversary of being missionaries to Japan! We are so thankful for their faithful service to our Lord. Please continue to pray for the need of a heating/air unit for the church. Pray that more souls would be saved and added to the church.

Abigail Update

We were able to celebrate Abigail's second birthday. It was a wonderful time, and we are so thankful to have our little precious girl. She likes to pass our prayer cards out to people, and has the hand shaking down pat. ☺ We are praying she will be saved at an early age.

Support Update

Grace Baptist Temple in Blackstone, VA; Ebenezer Baptist Church in Bethesda, OH; and Cross and Crown Baptist Church in Clarksville, TN, have all taken us on for support, and we are so thankful for their prayers, interest, and backing our ministry. We currently have 41 supporting churches and individuals and still others that we are waiting to hear from. We so want to be there in Japan, please keep on praying us to the field.
