

Greetings from Danny and Darleen Whetstone

December 2003

Luke 2:10 *"Fear not for behold, I bring you good tidings of great joy which shall be to all people."*

We are privileged to be servants of our Lord, who said, "that He came to seek and to save those which are lost." What an awesome job He gave to us! We trust that you have had a great year and have seen many decisions in your ministries. We are excited to see the Lord has added so many new families to our World Wide team. We are glad to serve you through the office staff and to be able to preach in Missions Conferences to open doors for you as you are on deputation and to encourage faith promise missions. There is a great need as we travel week to week. We were in three churches out west that have no pastor and in many towns and cities without a witness at all. We have much to get done before our Lord returns. We are very thankful for your faithful service and pray that you will see much fruit from your labor. We wish you the very best at this special time of year and trust you will enjoy your family and friends as we celebrate the birth of our Lord.

The Lord has been so good to us. We are thankful for our health, our home, our family, and our friends. We are very grateful to our supporting churches and appreciate your prayers on behalf of our ministry. Our prayer is that God will richly bless each of you who serve with us or support us with a wonderful holiday season.

Love in Christ,

Danny and Darleen
