Danny and Darleen Whetstone

May 2004

Dear Pastor,

Darleen and I spent two weeks in March in Micronesia. We had the pleasure of being in the mission's conference of Harvest Baptist Church in Guam. What a wonderful job Pastor Marty Herron is doing with Harvest Ministries. This church has taken advantage of great opportunities in reaching all of Micronesia with the gospel. We are certainly grateful for their kind ministry to World Wide missionary families.

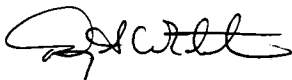

We also stopped for a visit with the folks on Pohnpei. Pastor Isamo Welles, Missionary William Joel, Missionary George Milgrim and Missionary Dave Arthurs have ministries on this beautiful island. Please pray for Brother Milgrim. He is presently in Virginia for medical treatment on his heart. Brother Dave Arthurs is also having medical problems that are being dealt with in the Philippines, and he would also appreciate your prayers.

On our return home we visited with our daughter, Danae. She, her husband Steven, and their two daughters live in Hawaii. One of their daughters is eight months old and I had never seen her. It was a joy to see all of them.

As soon as we returned home it was back on the road again to mission conferences in Atoka, Tennessee; Albany, Georgia; Johnson City, Tennessee. We had the opportunity to preach at Ambassador Baptist College again. What a wonderful place to train to serve the Lord. At the end of April, we had a meeting in Greensboro, North Carolina. During this period, we also interviewed and accepted two new missionary families. One family will be going to New Zealand, and the other to Yap in Micronesia.

We wish to thank you again for making our travels possible by your kind praying and giving. We trust that your ministries are experiencing the blessings of the Lord. There will be much to talk about when we all get home.

In His Service,

Danny A. Whetstone
