Dear Praying Friends,

Again, the Lord has given us journey mercies to several states since our last communication with you. The Lord blessed in meetings with the Albany Independent Baptist Church in Albany, Georgia. Then we had a week off so we visited our home church in New Bern, North Carolina, for a Wednesday night service, and I was able to spend a day with our pastor. On Friday night of that same week Pastor Bill Medlin in Farmville, North Carolina had a service to honor Brother Russell Bell. It was a wonderful service. Brother Bell is a faithful servant of Christ. We moved on to Brookhaven Baptist Church in Greensboro, North Carolina, for a four day meeting, and then preached on the following Sunday at the Orangeburg Baptist Tabernacle in Orangeburg, South Carolina. The Lord gave us a good missions conference at the First Baptist Church in Atoka, Tennessee; followed by another at the Clear Fork Baptist Church in Albany, Kentucky. The Clear Fork Baptist Church celebrated its two-hundred and third anniversary. Then I had the joy of preaching the second missions conference of the Heritage Baptist Church in DeWitt, Michigan. Thank you so much for praying for us as we travel to these good churches. Please pray continually that the Lord of the harvest would speak to His people about serving Him in regions beyond. I am amazed at how faithful the Lord's people are in faith promise giving for world evangelism.

In the midst of all of this our daughter, Daynna, has given us another grand daughter. Darleen was in Maine when she was born. I have not been able to see her yet, but maybe by June we can get together.

The Mission is doing well. We have seen some interest from new candidates; however, not nearly as many as we would like to see. In recent months several of our families have finished deputation and have shipped out to their places of service. We pray that the Lord will bless them as they go through the many adjustments to a new home.

The Lord willing we will be visiting Missionary Jim Poelman in China this summer. I have long desired to visit this vast country. Pray with us as we make the trip in August. I also hope to visit Cuba this year, but the arrangements have not been made for that trip.

Thank you again for your continued prayer for our family and ministry. We pray that our Lord will bless you continually.

In His Service,

Danny A. Whetstone
