October 2005

Dear Fellow Labourers,

Darleen and I wish to thank you for your continued support of our family and ministry. The Lord continues to bless as we travel from church to church in the work of World Wide New Testament Baptist Mission. It has been a privilege to be in this work for more than twenty-years now, and many of you have been with us for the entire journey. We appreciate your kindness shown to us month after month.

I want to ask you to continue to pray for some of our missionaries that have special health needs: Brother Jerrel Shaw (heart), Brother Russell Bell (heart) and Brother David Burrow (cancer).

We are also attempting to establish a working relationship with some men in Micronesia, Jordan, Lebanon and Iraq. Would you pray with us that the Lord would help us as we labor through the details in these parts of the world? These are great days of opportunity before us. Let us pray that the Lord will give us spiritual discernment as we seek to serve our generation. It is true that these are difficult times in a number of ways, but it is also true that the doors have never been more open in so many places as they are today. By His grace, "...lift up your eyes, and look on the fields; for they are white already to harvest."

We do praise our Lord for the wonderful commitment we are witnessing in the missions conferences each week. Churches are meeting their faith promise goals, and they are increasing their giving even in these unstable times. Would you pray with us that the Lord would touch hearts with the needs around the world and call laborers to serve in regions beyond?

Thank you again for your faithfulness.

In His Service,
