

FOR UNTO US A CHILD IS BORN.  
UNTO US A SON IS GIVEN.

December 2006

Dear Faithful Friends,

Merry Christmas, and may God richly bless each one of you!

It is that time of year again that we reflect on our Saviour's birth and on all He has done for each one of us. We are so thankful to have so many wonderful friends scattered all over the world, serving Christ and sharing the gospel with those who you minister to. We are blessed to be able to be servants for Him and to continue to share the gospel in this day He has given us.

It has been a very busy year, as we have been in meetings throughout the states and also had the privilege to visit some of you overseas. We are encouraged to see how God has blessed your Faith Promise in your churches to reach farther than ever before. We are excited to see how God has called you to a particular place, equipped you, and placed you to minister among those who are suited to your personality. Only God knows how to place us exactly where He can get the best job done and the best results for His glory. Praise the Lord!

It is our joy to be co-workers with you through World Wide New Testament Baptist Missions. For each one of you who serve on a foreign field, we are thankful that you were willing to answer God's call and launch out to serve Him. This is what makes up God's call, those willing to go and those willing to stay. Each one is needed and vitally important to get the job done. Thank you for your faithfulness to God!

Continue to pray for us, for health and the strength to serve. Our heart's desire is to visit each one of you and to be able to fellowship with you. Pray for our family and our grandchildren that God will be able to use them for His service.

May you have a wonderful Christmas as you reflect on His birth, and a Happy New Year, and may we serve Him greater in 2007 and be faithful until His return.

We love and appreciate each one of you, and count it all joy to be able to serve Him together!

Love in Christ,

*Bro. Danny & Darleen Whetstone*
