WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

May 2012

Dear Praying Friends,

Thank you for standing with us for another month. Darleen and I are honored to labor together with you in the ministry. By the time you receive this letter I hope to be home from the hospital. The hip replacement surgery is scheduled for May 8, 2012. It has been a long wait, but we have finally arrived. Please pray that recovery is at least normal, but quickly would be preferred!

We were blessed to be with Pastor Richard Forsythe at People's Baptist Church in Harrisonburg, Virginia. Darleen and I have enjoyed visiting with this good ministry many times over the years. Besides the good fellowship, we get to go to Kline's Ice Cream as often as Darleen will permit. It was a joy also to see Pastor and Mrs. Jim Bailey, as well as Brother and Mrs. Stanley Cline.

Pastor Darrell Roe

While preaching a missions conference at Morristown Baptist Tabernacle in Morristown, Tennessee, several years ago the Lord spoke to Brother Darrell Roe about church planting in Arizona. In April, we had the opportunity to preach a missions conference for Pastor Roe in Arizona City. The Lord has truly blessed their labor of love in starting the Heaven's View Baptist Church. Last month we also preached a missions conference at Morristown Baptist Tabernacle. Pastor Miller is doing a commendable job as the new pastor of this long established work.

While preaching the missions conference with Pastor Roe, we had lunch with Jimmy and Sharon Watson and their children in Tucson. They are getting settled there, and will soon start a new church. Please remember to pray for them.

Your continued prayers for World Wide New Testament Baptist Mission is appreciated. Brother John O'Malley and the office staff do a commendable job of servicing the missionary families associated with the mission.

Jimmy Watson

In His Service,  
Danny and Darleen Whetstone
