WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

August 2017

Dear Faithful Friends,

We started the summer with the Family Fellowship meeting for World Wide New Testament Baptist Mission. Many of the missions family gathered at Memorial Baptist Church in Ocala, Florida. Pastor Mike West and the church rolled out the red carpet for us, and we had a wonderful time with much preaching, singing, eating, and fellowship.

Typically, we go overseas in July, but this year has been a little different. I stayed home and had the opportunity to preach a few days at Ambassador Baptist College in Lattimore, North Carolina. It was a joy to be with Dr. Beal and the college again. If you are looking for a Bible college that is true to the Word of God, I would without reservation recommend that you take a look at Ambassador.

Darleen did take a trip this summer. She went to Togo with our son, David, for two weeks. She has never been overseas without me before, and I have never waited for her to return from a missions trip either.

We will be very busy until just before Christmas. Please pray that we will have safety in travel and that the Lord will bless our labor with His presence and power. It is a pleasure to serve the Lord with so many opportunities before us.

Thank you so much for standing behind us in prayer and financial support. We can continue in this work because of faithful believers like you. Please be active in your particular church, and let us make a difference in this generation. America stands in great need for us to share the light of the glorious Gospel of Jesus Christ.

In His Service,

Danny and Darleen Whetstone
