WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

**August 2019**

Dear Pastor,

Darleen and I just returned to Tennessee after two months out West. We visited Montana, Wyoming, Utah, Idaho, and California. It was our pleasure to visit three missionary families, and I had the opportunity to preach a meeting in Idaho. We drove 9,030 miles. Thank the Lord for His mercy in all of our travels.

The weeks ahead are filled with many missions conferences from South Carolina to Delaware. Please pray with us that we will see souls saved, Christians revived, and believers called to full-time Christian service.

We are also working on plans for a Pastor's Conference in Africa. Many details must be worked out soon for this to happen in December. Pray with us that it will come together and that we will be a blessing to those who will attend.

It is a pleasure to serve the Lord with you. We are so thankful for your continued support of our ministry. Your faithful praying on our behalf is very important to us. Please remain steadfast and fervent.

By the way, we are in our fifth month living in our Airstream, and we love it. Some of you have sent in funds since we purchased it, and I assure you that every dollar that we have received is being used to pay for the trailer. Words cannot fully express our gratitude for your kindness.

In His Service,  
Danny and Darleen Whetstone
