

## DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

**February 2020**

Dear Pastor,

Darleen and I made our trip to Africa for two weeks just before Christmas. The Lord blessed in wonderful ways. Thank you for praying. It was a joy to teach those servants of the Lord. Following the trip, we had a few days at home to spend with three of our four children and five of our grandkids.

On the first Sunday in January, we started meetings with Trinity Baptist Church in Wilson, North Carolina. We have also traveled to Faith Baptist Church in Temple, Texas, and spent a Sunday with Calvary Baptist Church in Lakeland, Florida. We have also been with Gantt Street Baptist Church in Cayce, South Carolina.

It is a blessing to be in mission conferences week after week. The only thing that could be better would be traveling the world, witnessing the goodness of God in the lives of missionaries and the amazing people to which our Lord has called them to minister. We are planning trips to Egypt and Lebanon this summer. Pray with us that these visits will be possible, profitable, and safe.

We appreciate so much your prayers and faithful support for our ministry. We covet your prayers concerning continued good health and safety as we travel so many miles. We want also to pray that the Lord of the harvest will continue to send forth laborers for so many needy places around the world.

We have now lived for eleven months in the Airstream, and we love it!

In His Service,  
Danny and Darleen Whetstone
